High School Admissions for Fall 2022:

All current 8th and first-time 9th grade students who live in New York City can apply to high school and test and/or audition to apply to the Specialized High Schools during the 2021-2022 school year.

## HOW TO Log into MySchools???

Get your welcome letter. On October 14, 2021, welcome letters were mailed to families of current 8th grade public DOE and charter school students. All 8th grade students (and first-time 9th grade students, if interested) can also get their welcome letter from their current school. This personalized letter includes an overview of high school admissions, including how to use the DOE's online school directory and application system, [MySchools.nyc](http://MySchools.nyc).

If MySchools is new for you, then your child's welcome letter will help you set up your MySchools account and add your child using their unique account creation code.

Already have a MySchools account from a previous year? Log in now! You can reset your MySchools password if needed. If you don't see your child's name on your Dashboard page, that's okay—just get your child's welcome letter and follow the instructions there.

Once you're logged into MySchools, you can:

Explore your high school options in [MySchools](http://MySchools). When you're logged in to your account, you can save your favorite programs by clicking the stars next to their names.

Please check our website for updates ([schools.nyc.gov/high](http://schools.nyc.gov/high)) and sign up email alerts ([schools.nyc.gov/SignUp](http://schools.nyc.gov/SignUp)).
