Choose one option to complete—extra credit for both!

Option 1: Please complete your Gabriel Orozco inspired Corplegados piece. Your lifesize design/art piece should be based on a personal journey of your choosing that can be literal or abstract in its execution. You may use any variety of media.

Option 2: Research the performance artist Tavares Strachan. Design a diptych (a painting, especially an altarpiece, on two hinged wooden panels which may be closed like a book) that takes inspiration from his cultural vision of the African diaspora exhibit at the Marian Goodman Gallery.

Have a great summer.
