High School of Art and Design  
10th Grade SUMMER ASSIGNMENT

Hello Sophomore Photography Students! I am so excited to be working with you in the 2023-2024 school year. There are SO MANY aspects to photography that are complex, creative and challenging, as you will find out. I'd like for you to use this summer to photograph things you are inspired by (I am working on projects too). We will use this work to introduce ourselves in September. Enjoy your summer!

Ms. McLaughlin
